1997	B.Sc.	Secondary Education	Troy University
2016	MSW	Social Work	Troy University
2020	PhD	Sport Management	Troy University
2016	Current	Licensed Master of Social Work (LMSW)	

PROFESSIONAL EXPERIENCE

06/2021 – Current

MSW Director

Troy University – Troy, AL

Director of Foundational and Advanced Standing graduate social work programs with concentrations in Direct Practice and Organizational Leadership and Management across five campuses. Exceptional writing and research skills in clinical and academic domains with research interests in Military Families, Children & Adolescents, and Social Work in Sports. Demonstrates exemplary qualities in instruction, program management, problem-solving, conflict resolution, policy, and planning. Assists students in accessing educational resources to promote growth and retention. Recruits and advises students. Creates online resources for enhanced student connection and success. Experience with CSWE accreditation standards and requirements for program success.

07/2022 – Current

Researcher

Troy University/Dothan Housing Authority – Dothan, AL

Serves as the principal liaison between the evaluation team and The Resident Service Department at Dothan Housing for conducting a needs assessment across all Dothan Housing Authority communities. Project requirements include (1) instrument development; (2) carrying out a needs assessment, overseeing all project activities related to data collection; (3) ensuring adherence to timetables; and (4) meeting regularly with the study team and staff to discuss project progress followed by a write-up of all project-related documents/manuscripts and presentation of findings to the agency and study participants.

01/2021 – 04/2022

Part-Time Therapist

Southeast Alabama Youth Services (SAYS) – Dothan, AL

Provided counseling services to local youth who were on probation. Conducted intakes and evaluations. Implemented individual treatment plans and goals that focused on healthy coping mechanisms, anger management skills, academic improvements, behavioral/emotional management techniques, and fostered improved communication skills. Worked with families of clients to coordinate goal attainment and enhanced family environments and support systems. Additional coordination of care was facilitated with school counselors, teachers, and JPOs.

07/2014 – 06/2021

Lecturer/Online Program Coordinator

Troy University – Troy, AL

Exceptional writing and research skills in clinical and academic domains with research interests in Military Families, Children & Adolescents, and Social Work in Sports. Demonstrated exemplary qualities in instruction, office management, problem-solving, conflict resolution, policy, and planning. Assisted students in accessing educational resources to promote growth and retention. Recruited and advised students on optimal course schedules based upon their goals. Instructed for the BSW and MSW program and coordinates online courses and planning for undergraduate Human Services and Social Work degree plans. Created online resources for enhanced student connection and success. Experience participating on CSWE accreditation committees.

01/2018-8/2018

Licensed Social Worker

Group Home for Girls – Troy, AL

Contracted to provide enrichment services for Troy's Group Home for Girls (ages 13-17). Conducted a needs assessment followed by the development of personalized, weekly sessions for summer break. Psychoeducational and support group work was conducted in order to assist teens with setting long-term goals, increasing positive coping mechanisms, improving communication skills, and learning anger management skills. Weekly math sessions were also held to provide

remediation and enhancement of math skills following baseline testing performed.

2011-2012

Caseworker

Navy Marine Corps Relief Society – Yuma, AZ

Provided assistance and education for Marines and their families with regard to budgeting needs and financial planning. Coordinated resources for immediate needs. Worked with the Red Cross and Command Units to assist Marines in need of emergency travel. Conducted training sessions with various units on base to provide education and awareness of Navy Marine Corps Relief Society resources.

2009 – 2014 and 1997 – 1998

Teacher (moves due to husband’s military service)

Annunciation Catholic School – Havelock, NC

Cibola High School – Yuma, AZ

New Bern High School – New Bern, NC

Carroll High School – Ozark, AL

Created and implemented lesson plans for optimal academic achievement. Generated resources and learning tools to increase the accomplishment of classroom goals and objectives as well as bridge the gap between students with behavioral or cognitive constraints. Conducted and participated in cross-departmental teams to identify resources and aids that would improve student outcomes at home and in the classroom and assisted in developing individual education (IEP) and 504 plans.

2001 – 2007

Account Consultant

Verisign, Inc. – Savannah, GA

Managed top revenue account (MetroPCS). Led client strategic meetings & presentations representing quarterly growth and goals. Collaborated with Programming, Quality Assurance, Customer Service and the client to implement regular software upgrades, fixes and enhancements. Created procedure manuals for multiple software applications. Performed Quality Assurance testing on new programs and fixes. Conducted training workshops for the client on new software products. Played an integral role in the system upgrade from Linux to Oracle. Led cross-departmental team to implement multiple short-term and long-term projects.

2000 - 2001

Resort Manager

Blackbird Caye Resort – Turneffe Atoll, Belize

Managed daily operations and processes for a staff of 20 for a scuba diving resort. Organized schedules for diving and resort activities. Developed diving program for cruise line. Acted as liaison for Oceanic Society for dolphin studies. Facilitated resort safety procedures.

AWARDS

Commendation of Service – Navy Marine Corps Relief Society

College of Health & Human Services Graduate Student Research Competition
1st Place – Autism Spectrum Disorder

PRACTICUMS

Summer 2015 – Building a Bridge Foundation

Dothan Behavioral Medicine Clinic – Dothan, AL

Interned with LCSW in mental health counseling facility. Experienced gained in working with children and adolescents with mental health concerns. Central therapies conducted included CBT, Trauma-Focused CBT and psychoeducational services. Counseling setting included individual and family sessions. Sessions with military families were also conducted. Information regarding third-party billing, professional assessments and note taking were gained. Shadowed various psychiatrists within the clinic to view assessment and referral process.

Summer 2015 – Research Project

ADHD: A comprehensive look for parents, caregivers & educators

Created comprehensive PowerPoint instructional tool to be utilized as a means for educating parents, caregivers and educators regarding children diagnosed with ADHD. Information includes definitions, resources and best practice methods (medical, educational, and therapeutic) which can be utilized by parents, caregivers and teachers to create discipline and educational plans. These plans can assist children and adolescents diagnosed with ADHD to achieve positive results at home and at school.

Spring 2016 – Social Work with Military Families (taught a graduate course, SWK 7726)

Troy University – Dothan, AL

Created syllabus and instructional materials in conjunction with instructor for elective graduate course, SWK 7726 – Military Families course as well as assisted in teaching materials as approved. The course was designed to increase knowledge and skills for practice with military personnel, Veterans, and their families.

Summer 2016 – Grant Work – Medicaid and In-Home Visitation and Access Program (I-VAP)

BOOK CHAPTERS

1. Cox, Amy E. & Waller, R. J. (2017). Reversing the outcomes for US military families: From resilience to risk during a protracted armed conflict. *Mental Health Promotion in Schools: VolIII/Special Topics, Special Challenges*. pp. 279-302. Bentham Science Publishers.

RESEARCH/GRANTS

Beasley, L., Cox, A. E., & Hardin, R. (under review). Incorporating mental health literacy into

the sport management curriculum. *Sport Management Education Journal*.

Cox, A. E. & Sluder, J. B. (under review). *Increasing mental health awareness in collegiate athletic systems: Removing the stigma*. NCAA Innovations in Research and Practice Grant Program.

Cox, A. E., Beasley, L., & Hardin, R. (2021, August). Applications of social work theory to sport management curriculum: Ecological systems theory. *Sport Management Education Journal*.

Cox, A. E. (Dissertation – Successfully Defended. October 2020). Identities of NCAA Athletic Directors and the presence of transgender inclusion policies for student athletes.

- The purpose of this study was to explore relationships between the intersection of primary identities (e.g., personal, public, collective, relational) held by Athletic Directors and the presence or lack of presence of NCAA transgender inclusion policies while applying theories of intersectionality and social identity.

BOOK REVIEWS

Cognella, Inc.; San Diego, CA (May 30, 2018)

Requested to review prospective book/curriculum (proposal review) for *The Warriors Triumph Guide to Reintegration: How to Overcome PTSD*, 18 pages.

Cognella, Inc.; San Diego, CA (August 20, 2018)

Requested to review prospective book/curriculum for *Intentional Group Counseling: Best Practices for a Multicultural World*, 445 pages. This text brings theme-centered group interaction work to central attention. It translates best practices of traditional group therapy into practical skills. It also takes a broad multicultural approach, recognizing all cultural groups, genders, social classes, and issues of privilege and oppression. This book also includes a way to examine the culture of the group.
