

# Bachelor of Science – Interpreter Training

CIP Code - 16.1603

For applicants residing outside of Alabama:

*Troy University's Interpreter Training program prepares students with the foundational knowledge and skills necessary to become professional interpreters. Graduates of the interpreter training program are eligible to sit for the National Interpreter Certification (NIC) offered by the Registry of Interpreters for the Deaf (<https://rid.org/certification/>).*

*Each state has its own approval process for out-of-state institutions offering distance education. While Troy University strives to offer all of its programs nationwide, all Troy University distance education programs may not be available in all states. Additional requirements may be necessary to obtain a professional license in the requesting state. For detailed licensure requirements, please visit the appropriate state's licensing website.*
