

Master of Science in Nursing (MSN) – 51.3818 | Doctor of Nursing Practice (DNP) - 51.3801

For applicants residing outside of Alabama:

This disclosure applies to graduate nursing programs preparing students for advanced nursing practice and national certification.

Pursuant to federal regulations governing distance education and professional licensure disclosures, the determinations outlined below reflect whether Troy University's curriculum meets the formal educational requirements for advanced practice licensure or certification in each state or territory. Additionally, this disclosure identifies jurisdictions where Troy University maintains the regulatory authorization and clinical capacity to coordinate preceptor-supervised advanced practice clinical experiences.

Additional requirements may be necessary to obtain a professional license in the requesting state. For detailed licensure requirements, please visit the appropriate state's licensing website.

For educational requirement questions, contact the Office of State Authorization at stateauthorization@troy.edu.

For clinical requirement questions, contact Brittany Bettis at bbettis@troy.edu.

State/ Territory	Licensure/ Certification	Licensing Board	Meets educational requirements	Does this program have the availability to offer clinical experiences in this state?	Method of Delivery	Modified
