

Bachelor of Science – Surveying and Geomatics Science

CIP Code – 15.1102

For applicants residing outside of Alabama:

Each state has its own approval process for out-of-state institutions offering distance education. While Troy University strives to offer all of its programs nationwide, all Troy University distance education programs may not be available in all states. Additional requirements may be necessary to obtain a professional license in the requesting state. For detailed licensure requirements, please visit the appropriate state's licensing website.

For questions, contact the Office of State Authorization at stateauthorization@troy.edu.
