Transfer Credit Listing

Transfer Credit Listing

The TROY Transfer Credit Listing is designed to be a resource to identify potential transfer credit and associated TROY course equivalents from completed course work at other regionally accredited institutions of higher education. It is in no way an official determination nor a guarantee of transfer credit award. All students wishing to receive transfer credit toward a degree with TROY must have an official transfer credit evaluation performed by the university upon admission to the university and registration in at least one term with TROY. All information contained within these pages does not necessarily reflect current catalog course listings for TROY or the transferring institution. These transfer listings are primarily based on academic catalogs since Fall 2005. Therefore, please understand that these listings are a culmination of TROY courses and transfer courses as of this current date. It is not necessarily a complete listing of all possible transfer courses from any one institution, although, the most common transfer institutions for TROY will display more extensive course listings. As requirements and course descriptions may change, this transferability information is subject to change at any time, without prior notification.

Students, advisors, and/or faculty/staff may all use these transfer pages to understand how course work from the listed institutions will be applied as TROY course work.

Students eligible for Service members Opportunity Colleges (SOC) programs or other articulation agreements may not always see those courses as listed on those specific agreements. Therefore, they should not use these transfer pages alone to determine the potential transfer credit award. The SOC transferability tables or actual transfer/articulation agreements should be used as they will take priority in the official transfer credit evaluation, with the exception of courses ineligible for transfer due to specialized accreditation rules/regulations that may apply to specific majors.

Additional information about academic policy, SOC programs, credit by examination, and the transfer credit evaluation process can be found throughout the academic catalogs at www.troy.edu/catalogs/ and the Academic Evaluation Center (AEC) website at www.troy.edu/academics/academic-resources/records-office/academic-evaluation-center/.

Any technical/vocational area of study in which a minimum of 30 semester hours has successfully been completed			Through TROY's Bachelor of Science in Occupational Education, technical credits from this institution that are normally not transferable to TROY, may be applied to 30sh of this particular bachelors degree. The BSOE combines theory with experience to prepare students as workforce development professionals in a variety of settings and occupations. Please contact TROY's College of Education/Department of Leadership Development and Professional Studies for more information.		
Any technical/vocational area of study in which a minimum of 18 semester hours has successfully been completed may also be considered for a Specialization in the TROY Bachelor of Applied Science degree or a Contract Minor option within the TROY Bachelor of Science in Interdisciplinary Studies program. Please refer to the TROY Undergraduate Catalog for more information and program eligibility.
