

## PME Transfer Credit AY 2015-2016

Note 1: Credits for PME coursework is only granted at the discretion and approval of the department faculty.

Note 2: All credits used to satisfy Master's degree requirements may not exceed eight years at the time of degree completion. Note 3: Some PME programs offer the opportunity for a master's degree upon completion of additional student work. With a completed master's degree, students are limited to 6 semester hours of transfer credit as specified in the Troy University Graduate Catalog. The two courses to be granted transfer credit may be drawn from the list approved for the relevant Resident Course.

Note 4: It is important to understand that the American Council on Education (ACE) only evaluates the courses submitted by military services. Some courses listed below fall outside of ACE's review. Anyone attending after that end date or ACE "Updated date" would not be eligible for any ACE recommended credit or transfer credit to Troy.

American Council on Education (ACE) / JSOU / Other		TROY UNIVERSITY	
School/Course	ACE Guide / JSOU / Troy Guide	MPA	MSIR
