

FINANCIAL ASSISTANCE

Troy University is particularly proud of its financial aid programs. The University attempts to provide financial assistance to the maximum number of students possible. We recognize that in many instances students and/or parents are simply not able to meet the entire cost of a college education; consequently, the university participates in a variety of financial aid programs. The programs are comprehensive in nature and range from scholarships to work study.

Approximately 70 percent of our students receive some form of financial assistance. Students are expected to be prepared with sufficient funds for maintenance, books and supplies for at least two weeks. Credit balance refunds are not issued until after the second week of classes.

Philosophy

It has been recognized that the cost of attending institutions of post-secondary education is greater than many families can handle alone. It is the philosophy of the financial aid office that no one should be denied a post-secondary education due to a lack of funds. Although it is primarily the responsibility of the student and/or family to pay college costs, this is not always possible. In such cases, the student should apply for financial aid to supplement family resources.

How to Apply

Go to FAFSA on the Web at www.fafsa.ed.gov to apply for financial aid.

- Be sure you are applying for the correct year using school code 001047.
- Just fill in the blanks when prompted.
- Errors are reduced because your answers are checked as you enter them.
- Your application reaches the federal processor immediately.
- Apply for a U.S. Department of Education Personal Identification Number (PIN) at www.pin.ed.gov.
- Be sure to complete the Troy University Certification Form for the same year as each FAFSA you complete.
- Download and complete all required forms at www.troy.edu/financialaid.

All students must fill out the Free Application for Federal Student Aid (FAFSA) annually for the academic year covering their enrollment periods. Financial aid is NEVER renewed automatically.

Priority Dates

The FAFSA should be completed as soon after January 1 as possible for the approaching fall to be considered for all types of aid. January through April is the ideal completion period in order to have your funding available at the beginning of the fall semester. March 1st is our priority date - the date by which we would prefer you to have applied. Funds are awarded for the nine month (fall/spring) academic year - you are expected to save for summer enrollment from your fall/spring award. If you have any funds unused, these may be awarded for summer and a Summer Form should be completed (available from the web site).

If your FAFSA information is received prior to May and your file is complete in May, your funds (assuming you complete the MPN with your lender, if required) should be ready to be placed

on your account at the end of free/drop add.

Work study funding is first come first serve. Money is not saved for students who have worked previously. The same is true for most other funding except for the Pell Grant and Stafford Loans.

Financial Aid Disbursement

The transmittal of financial aid will be made on the day after the drop/add period. Students will be able to receive refund checks no later than twelve (12) days after the start of classes for the term.

Additional Information

Students enrolling less than full time will have their financial aid awards reduced or cancelled according to the number of hours taken. Troy University reserves the right to adjust or cancel any aid if there is a change in academic or financial status of the aid recipient or to prevent institutional liability. Applications and brochures may be obtained by visiting the financial aid offices or by visiting our web site at www.troy.edu/financialaid and linking to the federal web site. Financial aid may be in the form of grants, loans scholarships or employment.

Grants

The grants listed below are based on need. These grants are available only to undergraduate students who have not received a previous bachelor's degree.

• Pell Grants

Pell Grants help undergraduate students who have not earned a bachelor's or higher degree pay for their higher education. The U.S. Department of Education determines who is eligible by using a formula established by Congress and the information provided by the applicant on the Free Application for Federal Student Aid (FAFSA). This will produce an expected family contribution (EFC) number. The amount the applicant receives depends on the EFC, cost of attendance, enrollment status (full-time or part-time), and length of enrollment.

• Federal Supplemental Educational Opportunity Grants (FSEOG)

FSEOG help undergraduates who hold no bachelor's or higher degree and have exceptional financial need. Priority is given to students with the lowest EFC, determined by information provided on the Free Application for Federal Student Aid (FAFSA), who also receive Pell Grants. There is no guarantee that every eligible student will receive an FSEOG, so it is important to apply early to have a better chance of receiving a grant. FSEOG awards are based on the availability of funds at Troy University.

• Federal Work-Study

The federal work-study program is designed to encourage students to contribute to their educational expenses while decreasing their debt burden. If you wish to have your eligibility reviewed for this award, please contact the student financial aid office. Priority is given to students with the lowest EFC, determined by information provided on the Free Application for Federal Student Aid (FAFSA), who also receive Pell Grants. There is no guarantee that every eligible student will receive or renew a work-study award, so it is important to apply early to have a better chance of receiving a job. Work-study awards are based on the availability of funds at Troy University.

• Federal Perkins Loan Program

The Perkins Loan program provides low-interest loans to help undergraduate and graduate students with exceptional financial

need pay for their higher education. The general loan limits depend, in part, on the student's year in school. Students attending school at least half-time do not begin repaying their loan until nine months after they graduate, leave school, or drop below half-time status. Less-than-half-time students may have a different grace period. Borrowers have up to 10 years to repay the loan. Troy University has limited access to Perkins Loan funds. Priority is given to students with the lowest EFC, determined by information provided on the Free Application for Federal Student Aid (FAFSA), who also receive Pell Grants. There is no guarantee that every eligible student will receive a Perkins Loan, so it is important to apply early to have a better chance. Perkins Loans are based on the availability of funds at Troy University. If you have been awarded a Perkins Loan, you may download, print, complete, and return the signed Perkins Promissory Note from our website.

Federal Stafford Loans

The Federal Family Education Loan Program (FFELP) requires a FAFSA and includes the following federal programs:

- **Subsidized Loans**

Subsidized loans are awarded based on the student's calculated need from the FAFSA. The interest is paid by the government while at least half-time enrollment is maintained. You are charged a 3% to 4% fee by the federal government when you borrow; the amount of your loan sent to the school is reduced by that fee. Repayment begins six months after enrollment has ceased or dropped to below half-time status. Once in repayment interest rate is variable and caps at 8.25%.

- **Unsubsidized Loans**

Unsubsidized loans are not based on calculated need, but still necessitate the filing of the FAFSA for eligibility determination. You are charged a 3% to 4% fee by the Federal government when you borrow; the amount of your loan sent to the school is reduced by that fee. Interest rate is a maximum of 8.25%. Interest is not paid by the Federal government, and the student is responsible for all interest associated with the loan. Interest payments can be capitalized (added to the loan at repayment) if no payments are made during enrollment. Repayment begins six months after enrollment has ceased or dropped below half time.

- **Federal plus loan**

Federal PLUS Loan is for parents of dependent students and is not based on need but a FAFSA is required. Parents may qualify for the PLUS Loan for the difference between your education costs and the amount financial aid you are awarded. However, parents must have a favorable credit rating in order to qualify for the PLUS Loan. If you are offered the PLUS Loan and you accept it, you will be sent a separate loan application for your parents to fill out and return to the student financial aid office for certification; parents may also download a form from the web site and apply for the PLUS loan.

Interest rates for the Federal Stafford and PLUS Loans vary. The federal government pays the interest on the subsidized federal Stafford Loan until repayment begins. The borrower is responsible for all interest that accrues on the Unsubsidized Federal Stafford and PLUS Loans from the time the loan is disbursed. More detailed information is provided with the loan application.

When making decisions about accepting loans, we urge you to carefully consider your total loan indebtedness and the amount you will pay on your loan given your expected earnings from your intended career. For more information about Stafford Loans, please review the KHEAA website at www.kheaa.org. KHEAA's "Paying for Higher Education" area has excellent information.
