

COLLEGE OF HEALTH & HUMAN SERVICES

The College of Health and Human Services provides quality education for professional practice in a variety of areas associated with health and human services. The college aspires to the highest standard of educational excellence blending a professional perspective with a liberal arts and science foundation.

The College is committed to the development of students who are knowledgeable, caring, responsive and self-directed. The college aspires to produce graduates who are self-directed individuals able to meet the health and human caring needs of diverse and complex society through change, advocacy and leadership within their communities.

The college's School of Nursing offers graduate programs at the Master's and Doctoral levels. Graduate programs within the School of Nursing include a Master's of Nursing (MSN) in one of three tracks: Informatics, Clinical Nurse Specialist and Family Nurse Practitioner and the Family Nurse Practitioner Certificate Program for the nurse who already holds a MSN degree. The School of Nursing also offers post baccalaureate and post master entry options into the Doctor of Nursing Practice (DNP). Within the DNP students may select the Clinical Nurse Specialist track or Family Nurse Practitioner track.

The College of Health and Human Service also offers through its Department of Kinesiology and Health Promotion a Master of Science in Sport and Fitness Management.

MASTER OF SCIENCE IN NURSING (M.S.N.)

The Master of Science in Nursing Program is designed to provide graduates of baccalaureate programs in nursing the opportunity to develop the advanced knowledge and clinical skills required for leadership positions in nursing. The program prepares clinical nurse specialists in Adult Health and Maternal-Infant Health, Nursing Informatics Specialists, and Family Nurse Practitioners. Students are accepted for admission to the MSN tracks every semester. Fall admission is recommended for students who wish to pursue full-time study.

MSN Student Learning Outcomes

Upon successful completion of the MSN program, the student will be able to:

1. Incorporate advanced knowledge and theories from nursing and related disciplines into evidenced-based practice as an advanced practice nurse;
2. Integrate evidence-based decisions into advanced practice in a specialized area of nursing;
3. Evaluate research and current evidence for the purpose of selectively integrating research findings in nursing practice;
4. Integrate leadership, management, and teaching strategies into advanced practice;

5. Evaluate the impact of health policy on healthcare for identification of areas needing improvement and development of appropriate strategies; and
6. Assume responsibility for contributing to the advancement of nursing as a profession.

Accreditation

The School of Nursing MSN Program is accredited by the National League for Nursing Accrediting Commission, 3343 Peachtree Rd. NE, Suite 500, Atlanta, GA, 30326.

Prerequisite Requirements

Candidates for admission must hold the baccalaureate degree in nursing.

Admission Requirements for the Master of Science in Nursing

Unconditional Admission

1. Graduate of a BSN program from a regionally accredited institution. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
2. Overall undergraduate grade-point average (GPA) of 3.0 on a 4.0 scale, or 3.0 on a 4.0 scale in the nursing major.
3. Score of 396 or higher on the Miller's Analogy Test (MAT)

or score of 850 on Graduate Record Exam (GRE-verbal and quantitative).

4. Current RN licensure.
5. Undergraduate health assessment course or the equivalent.
6. Two letters of professional reference.
7. Minimum of one year experience as a registered nurse is required for the Family Nurse Practitioner track.

Conditional Admission

1. Graduate of a BSN program from a regionally accredited institution. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
2. Overall undergraduate GPA of 2.5 on a 4.0 scale or 2.5 on a 4.0 scale in the nursing major or score of 380 on the Miller's Analogy Test or score of 650 on the Graduate Record Exam (GRE - verbal and quantitative).
3. One or more years of clinical experience as an RN; or graduate study without a graduate degree in nursing or another discipline, and a graduate GPA of 3.0 on a 4.0 scale.
4. Current RN licensure.
5. Undergraduate health assessment course or the equivalent.
6. Two letters of professional reference.
7. Minimum of one year experience as a registered nurse is required for the Family Nurse Practitioner track.

A student admitted conditionally to the graduate nursing program must clear conditional admission after nine semester hours. The student must attain an overall GPA of 3.0 on a 4.0 scale. Students not satisfying conditional admission requirements will be dropped from the program for one calendar year, after which time the student may petition for readmission.

Admission Requirements for Post Masters Certificate Option

1. Graduate of nationally accredited MSN Program (NLNAC or CCNE).
2. Current RN licensure in the state in which the student plans to have clinical experiences.
3. Two letters of professional reference.
4. Minimum of one year experience as a registered nurse.

Curriculum

CLINICAL NURSE SPECIALIST TRACK

Minimum Total Hours: 39

Students may choose one of two clinical options (Clinical major):

1. Adult Health Nursing
2. Maternal Infant Health Nursing

Students may choose one of two role options (Functional minor):

1. Educator
2. Administrator

A minimum of 39 semester hours is required for completion of the program.

Requirements for Students in Clinical Courses

All students must maintain RN licensure, current CPR certification, professional liability insurance, proof of annual physical examination and negative drug screen and a clear background check when enrolled in clinical nursing courses. Professional liability insurance is available through the School of Nursing. Students are responsible for their own medical care if needed in the clinical setting. Students are also responsible for personal transportation costs incurred during the program.

Students must meet Communicable Disease Center (CDC) and Occupational Safety and Health Administration (OSHA) guidelines.

Laboratory Fees for the MSN Program:

NSG 5515, 6696, 6697	\$ 37.50
NSG 5513, 6621, 6623, 6641, 6643, 6666, 6668	\$ 67.50
NSG 6615, 6617	\$105.00
NSG 6636, 6680	\$180.00

Note: Fees subject to change annually

Requirements for Admission to Candidacy

To be admitted to candidacy, students must have a 3.0 GPA on all work attempted. Unconditionally admitted graduate students must apply for admission to candidacy after completing nine semester hours of requirements as outlined for the specific degree program. The Admission to Candidacy form must be completed within the first 18 semester hours of the program. If the Admission to Candidacy form is not completed by the conclusion of 18 semester hours, a hold will be placed on the student's registration until Admission to Candidacy process is completed.

Degree Requirements

A student completing the coursework with a 3.0 or better GPA, fulfilling candidacy requirements, and successfully completing the required comprehensive examination will be awarded the degree.

Transfer Credit

A maximum of six semester hours taken at another regionally accredited institution of higher education with a "B" grade or better may be applied toward the degree. These courses must be comparable to Troy University courses and must be approved by the Nursing graduate faculty. For students completing the Master of Science in Nursing, all transfer credits used to satisfy degree requirements may not exceed five years at the time of the degree completion.

DOCTOR OF NURSING PRACTICE (DNP)

The Doctor of Nursing Practice (DNP) is a terminal degree and prepares the graduate to provide the most advanced level of nursing care for individuals, families and communities. The objectives for the program are consistent with the American Association of Colleges of Nursing's (AACN) specifications for practice doctoral programs in nursing in accordance with The Essentials of Doctoral Education for Advanced Nursing Practice. Fall admission is recommended for students who wish to pursue full-time study.

Upon successful completion of the Doctor of Nursing Practice the graduate will be able to:

1. Evaluate advanced knowledge and theories from nursing and related disciplines for advanced practice nursing at the highest level.
2. Design quality, cost effective and innovative nursing care models based on the knowledge of interrelationships among nursing, organizational, political, and economic sciences.
3. Incorporate systems engineering concepts to prevent and solve complex health care delivery problems.
4. Translate research to transform nursing practice and support evidence-based nursing practice for diverse patient populations and organizations.
5. Provide leadership in the integration of technology and information systems for quality improvements in patient care and healthcare systems.
6. Develop effective practice standards for managing ethical issues inherent in patient care, health care organizations and research.
7. Initiate changes in health care systems through the design and implementation of health policies that strengthen the health care delivery system.
8. Evaluate system responses to health and illness as a basis for clinical prevention and population health services in rural and urban settings within a global market.
9. Demonstrate role competencies in a specialized area of advanced practice nursing as a Doctor of Nursing Practice.

Accreditation

The School of Nursing has applied for candidacy status and initial accreditation of the DNP Program by the National League for Nursing Accrediting Commission, 3343 Peachtree Rd. NE, Suite 500, Atlanta, GA, 30326.

Admission Requirements for the Doctor of Nursing Practice

Doctorate of Nursing Practice (DNP) students will be admitted only under unconditional admission status. Conditional admission is not available for DNP applicants.

Admission to the program will be limited to number of available spaces. To be considered for unconditional admission to the DNP program the applicant must:

1. Hold a BSN or MSN degree from a nationally-accredited program (NLNAC or CCNE)
2. Earned a minimum cumulative GPA of 3.0 (4.0 scale) on all post-secondary coursework
3. Submit official transcripts for all post-secondary academic study
4. Earn a minimum GRE score of 850 (450 -verbal, 400 quantitative).
Note: This requirement is waived for post-MSN applicants.
5. Possess a current unencumbered license as a registered nurse in Alabama or in the state where clinical practice will occur
6. Submit two letters of professional reference that address academic ability, professional competence, and leadership potential in nursing.
7. Complete a successful interview by the Nursing Graduate Admissions Committee
8. Submit a 800 to 1000 word essay describing professional goals and how completion of the DNP program will enhance future roles and practice.
9. Submit a Resume that includes education, work experience in nursing, research experiences, publications, presentations, community service, professional memberships and service.
10. Possess a valid certification in advanced practice nursing (CNS or FNP only) from a nationally recognized credentialing body or be eligible to take a nationally recognized certification exam.
Note: This requirement applies only to post-MSN applicants.
11. Submit documentation of academic clinical hours.
Note: This requirement applies only to post-MSN applicants.

Total Hours: 35-39**Requirements for Students in Clinical Courses**

All students must maintain RN licensure, current CPR certification, professional liability insurance, proof of annual physical examination, negative drug screen and clear a background check when enrolled in clinical nursing courses. Professional liability insurance is available through the School of Nursing. Students are responsible for their own medical care if needed in the clinical setting. Students are also responsible for personal transportation costs incurred during the program.

Students must meet Communicable Disease Center (CDC) and Occupational Safety and Health Administration (OSHA) guidelines.

Laboratory Fees for the DNP Program:

NSG 5515, 6696, 6697	\$ 37.50
NSG 5513, 6621, 6623, 6641, 6643, 6666, 6668	\$ 67.50
NSG 6615, 6617	\$105.00
NSG 6636, 6680	\$180.00
NSG 8810, 8820, 8830, 8840, 8850	\$225.00

DNP Degree Plan

Unconditionally admitted graduate students may submit a Degree Plan after completing nine semester hours of coursework as outlined for the specific degree program. A minimum GPA of 3.0 (on 4.0 scale) is required on all work attempted. The Degree Plan must be completed within the first 18 semester hours of the program or a hold will be placed on the student's registration until the Degree Plan process is completed.

Qualifying Examination

DNP students must take a qualifying examination the last term of 6000 level courses. Passing the qualifying exam is required before progression to 8000 level courses. The passing of the qualifying exam is not to be considered a waiver of any other requirement for the program. Should students fail the qualifying exam, they must successfully retake the exam within one year of the date originally taken.

Admission to Doctoral Candidacy

DNP students are admitted to doctoral candidacy upon completion of all 5000/6000 level courses, possessing a 3.0 GPA on coursework attempted, and passing a "Qualifying Exam". Upon admission into doctoral candidacy, the student may progress to 8000-level advanced practice coursework.

Degree Requirements

Graduation from the DNP program requires completion of a prescribed plan of study. Consistent with recommendations from the AACN, the DNP program requires four academic years for post-baccalaureate and two years for post-master's options. Therefore, the number of credits required for graduation from the DNP program will depend upon prior degree. All credits used to satisfy the degree requirements for the DNP must not exceed eight years at the time of degree completion.

Graduation requirements include:

- Completion of all prescribed coursework with a 3.0 GPA or better

A score of 80% or better on the Qualifying Exam for post-baccalaureate students

- Submission of an approved comprehensive e-Portfolio
- Completion of a minimum of 1000 hours of graduate level clinical practice as part of a supervised academic program
- Successful completion of the Residency Synthesis Project

Residency Synthesis Project

Doctor of Nursing Practice (DNP) students will identify, develop, implement, evaluate, and disseminate findings of a clinical project that has systems level impact for the improvement of healthcare outcomes for a population group within a specific nursing practice. Specific courses in the DNP curriculum guide the completion of this project.

Transfer Credit

A maximum of six semester hours taken at another regionally accredited institution of higher education with a "B" grade or better may be applied toward the degree. These courses must be comparable to Troy University courses and must be approved by the Nursing graduate faculty. For students completing the Doctorate of Nursing Practice, all transfer credits used to satisfy degree requirements may not exceed eight years at the time of the degree completion.

MASTER OF SCIENCE IN SPORT AND FITNESS MANAGEMENT

The Sport and Fitness Management program is designed to provide the graduate with the knowledge, skills, and attitudes to engage in the practice of management in a variety of settings. The goals and objectives of the program are guided by, but are not limited to, the criteria and guidelines set forth in the Standards for an Accredited Educational Program by the North American Society for Sport Management.

Students are provided with classroom, laboratory and clinical experiences to accomplish these objectives. Students are evaluated on their progress in meeting the above objectives throughout the program. Opportunities and evaluations are provided for actual participation in professional clinical sites including athletic, sport and club fitness, coaching facilities, rehabilitation facilities and community settings in the practice of Sport and Fitness Management.

The program aims to provide a broad-based, comprehensive curriculum, with an emphasis on interdisciplinary collaboration that prepares a sport and fitness manager practitioner to

1. direct an individual's participation in selected clinical opportunities aimed at reinforcing and enhancing performance; facilitate learning of those skills and functions essential for productivity, thus the individual will be able to better communicate effectively with clients, subordinates and the public;

2. provide services to improve function to prevent deficits in activities of daily living, work, play/leisure, and in the underlying performance of managing to ensure quality of services and effectiveness of the program; and
3. function in a variety of roles including direct managing provider, consultant, case manager, educator, administrator, researcher and advocate in a variety of sport and fitness management delivery models and systems where sport and fitness management is traditionally practiced and in emerging areas of local community, state, regional, national and international arenas.

Upon successful completion of the SFM program, the student will be able to

1. plan, develop, implement and evaluate programs of service designed to meet local community, state, regional, national and international needs;
2. administer and manage a sport and fitness management service;
3. articulate and apply sport and fitness management principles, intervention approaches, rationales, and expected outcomes of service;
4. be innovators and leaders in the profession, applying sport and fitness management knowledge to the solution of complex sport and fitness managerial issues and health problems; and
5. demonstrate an attitude of inquiry and nurture the capacity for creative thinking, critical analysis and problem solving; to interpret research studies and to apply research results to sport and fitness management practice; and to contribute to the advancement and dissemination of research and knowledge in the behavioral science.

Prerequisite Requirements

Candidates for admission must hold a baccalaureate degree in sport and fitness management or related field.

Admission Requirements for the Master of Science in Sport and Fitness Management

Unconditional Admission

1. Applicants must have a baccalaureate degree from a regionally accredited four-year institution. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
2. Applicants must achieve a score of 33 or higher on the Miller Analogies Test or a score of 850 or higher on the Graduate Record Examination (verbal and quantitative).
3. Applicants must have an overall grade point average of 2.5 on a four-point scale.

Conditional Admission

1. Students not satisfying the unconditional admission requirements may be conditionally admitted to the program pending satisfactory completion of the first 12 semester hours with a 3.0 grade point average. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution

should see Unaccredited or Otherwise Accredited Student Admission.

- Students not satisfying conditional admission requirements will be dropped from the program for one calendar year, after which time the student must petition for readmission.

Transfer Credit

A maximum of 12 semester hours taken at another regionally accredited institution of higher learning, with a grade of "B" or better, can be applied toward the degree. These courses must be comparable to Troy University's courses and must be approved by the SFM graduate faculty.

Requirements for Admission to Candidacy

To be admitted to candidacy, students must have a 3.0 GPA on all work attempted. Unconditionally admitted graduate students must apply for admission to candidacy after completing nine semester hours of requirements as outlined for the specific degree program. The Admission to Candidacy form must be completed within the first 18 semester hours of the program. If the Admission to Candidacy form is not completed by the conclusion of 18 semester hours, a hold will be placed on the student's registration until Admission to Candidacy process is completed. A student will be admitted to candidacy the term following completion of 12 semester hours.

Degree Requirements

Successful completion of the courses listed below with an overall grade point average of 3.0 or better and successful completion of the required comprehensive examination is necessary to fulfill requirements for the degree. If a student makes a "D" or "F" in a core or concentration course, the course must be retaken. If the student earns a "D" or "F" in an elective course, the course may be retaken, or another elective taken in its place. The student can satisfy the research component requirement by successfully completing SFM 6617 and SFM 6691 with a grade of "B" or better.

Curriculum

All courses offer three semester hours of credit except SFM 6625, 6626, 6627, 6680, 6681, 6682.

SPORT AND FITNESS MANAGEMENT

Minimum Total Hours: 36

Students may choose one of two concentrations:

- Athletic Administration
- Fitness, Sport and Club Management

Required Core Courses: (21 sh)

SFM	6600	3	Foundations of Sport & Fitness Management
SFM	6610	3	Physical Education, Sport and the Law
SFM	6615	3	Sport Administration
SFM	6617	3	Readings in Sport Management, Fitness Management
SFM	6632	3	Critical Issues in Sport and Fitness Management
SFM	6640	3	Sport Marketing
SFM	6691	3	Research Methods

Concentration Requirements (15 sh)

Select One of the Following Concentrations:

Athletic Administration Concentration

SFM	6616	3	Sport Finance
SFM	6672	3	Sport Psychology
SFM	6673	3	Ethical Issues in Sport
SFM	6674	3	Entrepreneurship in Sport
SFM	6690	3	Internship

OR

Fitness, Sport & Club Management Concentration

SFM	6620	3	Physical Fitness: A Critical Analysis
SFM	6650	3	Nutrition and Physical Performance
SFM	6670	3	Exercise and Disease Prevention

Select 6 semester hours from the following:

SFM	6623	3	Biomechanics of Sport Technique
SFM	6671	3	Exercise Through Life Span
SFM	6680	1-9	Practicum in Sport and Fitness Mgt.
			or
SFM	6690	3	Internship
			or
SFM	6695	3	Thesis
