

## COLLEGE OF HEALTH & HUMAN SERVICES

The College of Health and Human Services provides quality education for professional practice in a variety of areas associated with health and human services. The college aspires to the highest standard of educational excellence blending a professional perspective with a liberal arts and science foundation.

The College is committed to the development of students who are knowledgeable, caring, responsive and self-directed. The college aspires to produce graduates who are self-directed individuals able to meet the health and human caring needs of diverse and complex society through change, advocacy and leadership within their communities.

The college's School of Nursing offers graduate programs at the Master's and Doctoral levels. Graduate programs within the School of Nursing include a Master's of Nursing (MSN) in one of three tracks: Informatics, Clinical Nurse Specialist and Family Nurse Practitioner and the Family Nurse Practitioner Certificate Program for the nurse who already holds a MSN degree. The School of Nursing also offers post baccalaureate and post master entry options into the Doctor of Nursing Practice (DNP). Within the DNP students may select the Clinical Nurse Specialist track or Family Nurse Practitioner track.

The College of Health and Human Service also offers through its Department of Kinesiology and Health Promotion a Master of Science in Sport and Fitness Management.

### MASTER OF SCIENCE IN NURSING (M.S.N.)

The Master of Science in Nursing Program is designed to provide graduates of baccalaureate programs in nursing the opportunity to develop the advanced knowledge and clinical skills required for leadership positions in nursing. The program prepares clinical nurse specialists in Adult Health and Maternal-Infant Health, Nursing Informatics Specialists, and Family Nurse Practitioners. Students are accepted for admission to the MSN tracks every semester. Fall admission is recommended for students who wish to pursue full-time study.

#### MSN Student Learning Outcomes

Upon successful completion of the MSN program, the student will be able to:

1. Incorporate advanced knowledge and theories from nursing and related disciplines into evidenced-based practice as an advanced practice nurse;
2. Integrate evidence-based decisions into advanced practice in a specialized area of nursing;
3. Evaluate research and current evidence for the purpose of selectively integrating research findings in nursing practice;
4. Integrate leadership, management, and teaching strategies into advanced practice;
5. Evaluate the impact of health policy on healthcare for identification of areas needing improvement and development of

appropriate strategies; and

6. Assume responsibility for contributing to the advancement of nursing as a profession.

#### Accreditation

The School of Nursing MSN Program is accredited by the National League for Nursing Accrediting Commission, 3343 Peachtree Rd. NE, Suite 500, Atlanta, GA, 30326.

#### Prerequisite Requirements

Candidates for admission must hold the baccalaureate degree in nursing.

#### Admission Requirements for the Master of Science in Nursing

##### Application Deadlines:

- May 1 for Fall Semester
- October 1 for Spring Semester
- March 1 for Summer Semester

##### Unconditional Admission

1. Hold a baccalaureate degree in nursing (BSN) from a regionally accredited university and a nationally accredited nursing program (NLNAC or CCNE). Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.

- Overall undergraduate grade-point average (GPA) of 3.0 on a 4.0 scale, or 3.0 on a 4.0 scale in the nursing major.
- Score of 396 or higher on the Miller's Analogy Test (MAT) or score of 286 on Graduate Record Exam (850 on the old exam) (verbal plus quantitative). GRE or MAT required.
- Current RN licensure.
- Undergraduate health assessment course or the equivalent.
- Two letters of professional reference.
- Minimum of one year experience as a registered nurse is required for the Family Nurse Practitioner track.

### Conditional Admission

- Hold a baccalaureate degree in nursing (BSN) from a regionally accredited university and a nationally accredited nursing program (NLNAC or CCNE). Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
- Overall undergraduate GPA of 2.5 on a 4.0 scale or 2.5 on a 4.0 scale in the nursing major or score of 380 on the MAT or score of 277 on the GRE (650 on the old exam) (verbal plus quantitative). GRE or MAT required.
- One or more years of clinical experience as an RN; or graduate study without a graduate degree in nursing or another discipline, and a graduate GPA of 3.0 on a 4.0 scale.
- Current RN licensure.
- Undergraduate health assessment course or the equivalent.
- Two letters of professional reference.
- Minimum of one year experience as a registered nurse is required for the Family Nurse Practitioner track.

A student admitted conditionally to the graduate nursing program must clear conditional admission after nine semester hours. The student must attain an overall GPA of 3.0 on a 4.0 scale. Students not satisfying conditional admission requirements will be dropped from the program for one calendar year, after which time the student may petition for readmission. *To facilitate success in the program, a student admitted under conditional status should pursue a part-time course of study.*

### Admission Requirements for Post-Masters Certificate Option

- Graduate of nationally accredited MSN Program (NLNAC or CCNE).
- Current RN licensure in the state in which the student plans to have clinical experiences.
- Two letters of professional reference.
- Minimum of one year experience as a registered nurse.

**Requirements for Admission to Candidacy**

To be admitted to candidacy, students must have a 3.0 GPA on all work attempted. Unconditionally admitted graduate students must apply for admission to candidacy after completing nine semester hours of requirements as outlined for the specific degree program. The Admission to Candidacy form must be completed within the first 18 semester hours of the program. If the Admission to Candidacy form is not completed by the conclusion of 18 semester hours, a hold will be placed on the student's registration until Admission to Candidacy process is completed.

**Degree Requirements**

A student completing the coursework with a 3.0 or better GPA, fulfilling candidacy requirements, and successfully completing the required comprehensive examination will be awarded the degree.

**Transfer Credit**

A maximum of six semester hours taken at another regionally accredited institution of higher education with a "B" grade or better may be applied toward the degree. These courses must be comparable to Troy University courses and must be reviewed by the graduate nursing faculty who will make a recommendation to the Dean of the College of Health and Human Services and the Graduate Dean. For students completing the Master of Science in Nursing, all transfer credits used to satisfy degree requirements may not exceed five years at the time of the degree completion.

## DOCTOR OF NURSING PRACTICE (DNP)

The Doctor of Nursing Practice (DNP) is a terminal degree and prepares the graduate to provide the most advanced level of nursing care for individuals, families and communities. The objectives for the program are consistent with the American Association of Colleges of Nursing's (AACN) specifications for practice doctoral programs in nursing in accordance with The Essentials of Doctoral Education for Advanced Nursing Practice. Fall admission is recommended for students who wish to pursue full-time study.

Upon successful completion of the Doctor of Nursing Practice the graduate will be able to:

1. Evaluate advanced knowledge and theories from nursing and related disciplines for advanced practice nursing at the highest level.
2. Design quality, cost effective and innovative nursing care models based on the knowledge of interrelationships among nursing, organizational, political, and economic sciences.
3. Incorporate systems engineering concepts to prevent and solve complex health care delivery problems.
4. Translate research to transform nursing practice and support evidence-based nursing practice for diverse patient populations and organizations.
5. Provide leadership in the integration of technology and information systems for quality improvements in patient care and healthcare systems.
6. Develop effective practice standards for managing ethical issues inherent in patient care, health care organizations and research.
7. Initiate changes in health care systems through the design and implementation of health policies that strengthen the health care delivery system.
8. Evaluate system responses to health and illness as a basis for clinical prevention and population health services in rural and urban settings within a global market.
9. Demonstrate role competencies in a specialized area of advanced practice nursing as a Doctor of Nursing Practice.

### Accreditation

The School of Nursing DNP Program is accredited by the National League for Nursing Accrediting Commission, 3343 Peachtree Rd. NE, Suite 500, Atlanta, GA, 30326.

### Admission Requirements for the Doctor of Nursing Practice

Doctorate of Nursing Practice (DNP) students will be admitted only under unconditional admission status. Conditional admission is not available for DNP applicants.

Admission to the program will be limited to number of available spaces. To be considered for unconditional admission to the DNP program the applicant must:

1. Hold a BSN or MSN degree from a nationally-accredited program (NLNAC or CCNE)
2. Earned a minimum cumulative GPA of 3.0 (4.0 scale) on all nursing coursework if post-baccalaureate applicant or on all graduate coursework if post-masters applicant.
3. Submit official transcripts for all post-secondary academic study
4. Earn a minimum GRE score of 290 (150-verbal, 140-quantitative).  
*Note: This requirement is waived for post-MSN applicants.*
5. Possess a current unencumbered license as a registered nurse in Alabama or in the state where clinical practice will occur
6. Submit two letters of professional reference that address

academic ability, professional competence, and leadership potential in nursing.

7. Complete a successful interview by the Nursing Graduate Admissions Committee
8. Submit a 800 to 1000 word essay describing professional goals and how completion of the DNP program will enhance future roles and practice.
9. Submit a Resume that includes education, work experience in nursing, research experiences, publications, presentations, community service, professional memberships and service.
10. Possess a valid certification in advanced practice nursing (CNS or FNP only) from a nationally recognized credentialing body or be eligible to take a nationally recognized certification exam.

*Note: This requirement applies only to post-MSN applicants.*

11. Submit documentation of academic clinical hours.

*Note: This requirement applies only to post-MSN applicants.*

## **DNP Degree Plan**

---

Unconditionally admitted graduate students may submit a Degree Plan after completing nine semester hours of coursework as outlined for the specific degree program. A minimum GPA of 3.0 (on 4.0 scale) is required on all work attempted. The Degree Plan must be completed within the first 18 semester hours of the program or a hold will be placed on the student's registration until the Degree Plan process is completed.

## **Progression**

---

Students must achieve a grade of "B" or higher, in each 8000 level DNP course, in order to pass the course and progress to the next course(s) according to the semester planner. Students who achieve a grade of less than a B, in any 8000 level course, may not progress in the program until they repeat the course and achieve a grade of "B" or higher. A student can only repeat an 8000 level DNP course once. A student can only repeat a maximum of two 8000 level DNP courses. A GPA of 3.0 or higher is necessary in order to progress in the DNP program, as well as to meet graduation requirements.

## **Competency Evaluations**

---

Prior to completing NSG 8820: DNP Residency II, the student must complete the Initial Competency Evaluation by successfully defending the DNP Residency Project Proposal. Prior to completing NSG 8840: DNP Residency IV, the student must complete the Final Competency Evaluation by successfully defending the DNP Residency Project.

## **Admission to Doctoral Candidacy**

---

DNP students submit a Degree Plan after completing at least nine semester hours of study and prior to completing sixteen hours to be admitted to doctoral candidacy.

## **Degree Requirements**

---

Graduation from the DNP program requires completion of a prescribed plan of study. Consistent with recommendations from the AACN, the DNP program requires three academic years for post-baccalaureate and two years for post-master's options. Therefore, the number of credits required for graduation from the DNP program will depend upon prior degree. All credits used to satisfy the degree requirements for the DNP must not exceed eight years at the time of degree completion.

*Graduation requirements include:*

- Completion of all prescribed coursework with a 3.0 GPA or better
- Submission of an approved comprehensive e-Portfolio
- Completion of a minimum of 1000 hours of graduate level clinical practice as part of a supervised academic program
- Successful completion of the Residency Synthesis Project

## **Residency Synthesis Project**

---

Doctor of Nursing Practice (DNP) students will identify, develop, implement, evaluate, and disseminate findings of a clinical project that has systems level impact for the improvement of healthcare outcomes for a population group within a specific nursing practice. Specific courses in the DNP curriculum guide the completion of this project.

## **Transfer Credit**

---

A maximum of six semester hours taken at another regionally accredited institution of higher education with a "B" grade or bet-

ter may be applied toward the degree. These courses must be comparable to Troy University courses and must be reviewed by the graduate nursing faculty who will make a recommendation to the Dean of Health and Human Services. For students completing the Doctorate of Nursing Practice, all transfer credits used to satisfy degree requirements may not exceed eight years at the time of the degree completion.

# **MASTER OF SCIENCE IN SPORT AND FITNESS MANAGEMENT**

---

The Sport and Fitness Management program is designed to provide the graduate with the knowledge, skills, and attitudes to engage in the practice of management in a variety of settings. The goals and objectives of the program are guided by, but are not limited to, the criteria and guidelines set forth in the Standards for an Accredited Educational Program by the North American Society for Sport Management.

Students are provided with classroom, laboratory and clinical experiences to accomplish these objectives. Students are evaluated on their progress in meeting the above objectives throughout the program. Opportunities and evaluations are provided for actual participation in professional clinical sites including athletic, sport and club fitness, coaching facilities, rehabilitation facilities and community settings in the practice of Sport and Fitness Management.

The program aims to provide a broad-based, comprehensive curriculum, with an emphasis on interdisciplinary collaboration that prepares a sport and fitness manager practitioner to

1. direct an individual's participation in selected clinical opportunities aimed at reinforcing and enhancing performance; facilitate learning of those skills and functions essential for productivity, thus the individual will be able to better communicate effectively with clients, subordinates and the public;
2. provide services to improve function to prevent deficits in activities of daily living, work, play/leisure, and in the underlying performance of managing to ensure quality of services and effectiveness of the program; and
3. function in a variety of roles including direct managing provider, consultant, case manager, educator, administrator, researcher and advocate in a variety of sport and fitness management delivery models and systems where sport and fitness management is traditionally practiced and in emerging areas of local community, state, regional, national and international arenas.

Upon successful completion of the SFM program, the student will be able to

1. plan, develop, implement and evaluate programs of service designed to meet local community, state, regional, national and international needs;
2. administer and manage a sport and fitness management service;
3. articulate and apply sport and fitness management principles, intervention approaches, rationales, and expected outcomes of service;
4. be innovators and leaders in the profession, applying sport and fitness management knowledge to the solution of complex sport and fitness managerial issues and health problems;
5. demonstrate an attitude of inquiry and nurture the capacity for creative thinking, critical analysis and problem solving; to interpret research studies and to apply research results to sport and fitness management practice; and to contribute to the advancement and dissemination of research and knowledge in the behavioral science.

## Prerequisite Requirements

Candidates for admission must hold a baccalaureate degree in sport and fitness management or related field.

## Admission Requirements for the Master of Science in Sport and Fitness Management

### **Unconditional Admission**

1. Applicants must have a baccalaureate degree from a regionally accredited four-year institution. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
2. Applicants must achieve a score of 385 or higher on the Miller Analogies Test or a score of 286 or higher on the Graduate Record Examination (850 on the old exam) (verbal and quantitative) or 380 on the GMAT.
3. Applicants must have an overall grade point average of 2.5 on a four-point scale.

### **Conditional Admission**

1. Students not satisfying the unconditional admission requirements may be conditionally admitted to the program pending satisfactory completion of the first 12 semester hours with a 3.0 grade point average. Students with a baccalaureate degree from an unaccredited or otherwise accredited institution should see Unaccredited or Otherwise Accredited Student Admission.
2. Students not satisfying conditional admission requirements will be dropped from the program for one calendar year, after which time the student must petition for readmission.

## Transfer Credit

A maximum of 12 semester hours taken at another regionally accredited institution of higher learning, with a grade of "B" or better, can be applied toward the degree. These courses must be comparable to Troy University's courses and must be approved by the SFM graduate faculty.

## Requirements for Admission to Candidacy

To be admitted to candidacy, students must have a 3.0 GPA on all work attempted. Unconditionally admitted graduate students must apply for admission to candidacy after completing nine semester hours of requirements as outlined for the specific degree program. The Admission to Candidacy form must be completed within the first 18 semester hours of the program. If the Admission to Candidacy form is not completed by the conclusion of 18 semester hours, a hold will be placed on the student's registration until Admission to Candidacy process is completed. A student will be admitted to candidacy the term following completion of 12 semester hours.

## Degree Requirements

Successful completion of the courses listed below with an overall grade point average of 3.0 or better and successful completion of the required comprehensive examination is necessary to fulfill requirements for the degree. If a student makes a "D" or "F" in a core or concentration course, the course must be retaken. If the student earns a "D" or "F" in an elective course, the course may be retaken, or another elective taken in its place. The student can satisfy the research component requirement by successfully completing SFM 6617 and SFM 6691 with a grade of "B" or better.

## Curriculum

All courses offer three semester hours of credit except SFM 6625, 6626, 6627, 6680, 6681, and 6682.
