

COLLEGE OF EDUCATION

The College of Education offers teacher education programs that lead to certification as well as non-certification programs in graduate study. Offerings reflect a flexible program of current curricula, educational plans, and requirements, which may be altered as warranted by changes in the professions and accrediting agencies. As regulating agencies (e.g., Alabama State Department

of Education, CAEP, CACREP, and CORE) modify standards and expectations, programs may be modified during a candidate's period of study. At such time, candidates may be subject to revised program or certification requirements. The purpose of all College of Education graduate programs is to develop innovative, informed, reflective decision makers.

The Master of Science in Education degree programs in School Counseling offered at the Dothan, Montgomery, Phenix City, and Troy campuses are accredited by CACREP.

- **Council on Rehabilitation Education (CORE)**

The Master of Science degree programs in Rehabilitation

Counseling offered at the Dothan, Montgomery, Phenix City and Troy campuses are accredited by CORE. The CORE accreditation includes all campuses under one accreditation.

- **Council for the Accreditation of Educator Preparation (CAEP)**

The Teacher Education Unit at the Troy, Dothan, Montgomery, and Phenix City campuses is accredited by the Council for the Accreditation of Educator Preparation (CAEP). This accreditation covers initial teacher preparation and advanced education preparation programs. CAEP is recognized by the US Department of Education and the Council for Higher Education Accreditation to accredit programs for the preparation of teachers and other professional school personnel.

Teacher Certification

All teacher education certification programs are approved by the Alabama State Department of Education. Students seeking teacher certification should refer to the specific program for eligibility and program completion requirements. Only those students who are properly admitted to an approved teacher certification

program and complete all current requirements will be recommended for certification.

The purpose of all certification programs in the College of Education is to develop practicing master teachers, instructional support personnel, and education specialists who more effectively serve students in P-12 settings. As master teachers, instructional support personnel, and education specialists, they participate as leaders in their schools and contribute to their profession.

College of Education students in Troy Global Campus must meet all specialized accreditation requirements to be classified as graduates of specialized accredited programs (CAEP, CACREP and CORE). Up to 12 hours of coursework completed at a site/university without appropriate specialized accreditation may be considered for application toward program completion. See TRANSFER CREDIT section for additional information.

Certification in Alabama

Candidates completing an approved teacher certification program are eligible to apply for the Alabama Class A professional certificate, provided they meet the following:

- A grade point average of 3.0 on all graduate coursework attempted.
- For Class A program completion, a minimum GPA of 3.25 overall is required for candidates unconditionally admitted to a program July 1, 2017 and thereafter.
- For Class AA program completion, a minimum GPA of 3.5 overall is required for candidates unconditionally admitted July 1, 2017 and thereafter.
- A grade of "C" or better in all coursework which applies to certification.
- A grade of "B" or better in the research requirements for the program.
- Any "D" earned in a teaching field course must be successfully repeated with a grade of "C" or better.
- Successful completion of the Praxis II examination in all areas of initial certification.

Any candidate who applies for a professional certificate is subject to all regulations set forth by the Alabama State Department of Education. These regulations may include a comprehensive background check, verification of appropriate experience, and prior certification specific to the certification sought. Additional requirements (e.g., standardized examinations to demonstrate content mastery) may be added as the Alabama State Board of Education and other accrediting agencies modify regulations. Candidates should consult their education adviser for details.

Only candidates properly admitted to an approved certification program and who successfully fulfill all program and certification requirements will be recommended for certification. The Certification Officer, appointed by the Dean of the College of Education, is the only Troy University official authorized to recommend candidates for certification in any state.

Certification in Other States

Other states may grant professional certification to candidates completing the Troy University teacher education program. Some states may have additional requirements. Candidates seeking certification in other states should contact the appropriate State Department of Education.

Only candidates properly admitted to an approved certification program and who successfully fulfill all program and certification requirements will be recommended for certification. The Certification Officer, appointed by the Dean of the College of

Education, is the only Troy University official authorized to recommend candidates for certification in any state.

Fingerprinting Requirement

Any candidate applying for admission to a State-approved program is required to be fingerprinted for a criminal history background check through the Alabama State Department of Education to the Alabama Bureau of Investigation (ABI) and the Federal Bureau of Investigation (FBI) pursuant to Act 2002-457. Fingerprinting must be done prior to conduction of observations in P-12 schools.

Admission Requirements for College of Education

Unconditional admission to the Graduate School does not constitute unconditional admission to specific programs in the College of Education. Students seeking advanced degrees in the College of Education should refer to the admission requirements specific to the degree program.

Transfer Credit

A maximum of four courses (12 semester hours) taken at another regionally accredited institution each with a grade of "B" or better within eight years of graduation may be considered for application toward the degree. These courses must be comparable in catalog description to Troy University courses in the specific degree program and must be approved by the appropriate department chair and dean. If the Troy program holds specialized accreditation, all courses taken at other sites/institutions will be reviewed to ensure that they are eligible for credit under specialized accreditation requirements.

Degree Requirements

Successful completion of the courses listed under each program area with an overall grade point average of 3.0 on a 4.0 scale is necessary to fulfill requirements for the degree. If the student makes a "D" or "F" in a core course, the course must be retaken. If the student makes a "D" or "F" in an elective course, the course may be retaken or another elective may be taken in its place.

Program Completion Requirements

All graduate programs require successful completion of specific end-of-program assessments. These assessments may include, but are not limited to, written comprehensive examinations, a portfolio, a thesis, a field project, and standardized examinations.

Statement of Guarantee for New Educators

Candidates who are recommended by Troy University for Alabama State Teacher Certification or other school personnel certification shall be granted remediation at no cost if:

Temporary, provisional, and other nonrenewable certifications are not acceptable. See specific program descriptions for any additional admission requirements.

Admission to the Graduate Teacher Education Program (GTEP)

The following documents will be submitted at the time the candidate applies for admission to the University. Teacher Education staff will approve the admission and remove the candidate's hold for taking graduate courses.

1. Submission of proof of baccalaureate level professional education certification.
2. Successful completion and submission of an essay on the Candidate's teaching philosophy.

MASTER OF SCIENCE IN EDUCATION (M.S.Ed.)

ALTERNATIVE FIFTH-YEAR CERTIFICATION PROGRAM FOR TEACHERS

Students should consult the General Regulations section of the Graduate Catalog for additional information regarding Graduate School admission requirements, transfer credit, and other critical policies and procedures.

Purpose

The purpose of the Alternative Fifth-Year Program is to provide initial teacher certification programs for individuals holding a baccalaureate level degree in a field other than education or those desiring initial certification in a new teaching field. Candidates shall have acquired knowledge and skill above the level required for the completion of the baccalaureate program in the same discipline, including subject matter knowledge, student development, diversity, instructional strategies, classroom management and learning environment, communication, planning, assessment, professionalism, and collaboration.

The College of Education adopted the model standards for beginning teacher licensure developed by the Interstate New Teacher Assessment and Support Consortium (INTASC) in 2013. These standards are applied throughout the Alternative-Fifth-Year Program.

Troy Global Campus College of Education students must meet all specialized accreditation requirements to be classified as graduates of specialized accredited programs (CAEP, CACREP, and CORE). Up to 12 hours of course work completed at a site/ university without the appropriate specialized accreditation may be considered for application toward program completion. See Transfer Credit section for additional information.

Admission Requirements for Alternative Fifth-Year Program for Teachers

Prior to applying for admission to the Graduate School and the Master of Science Alternative Fifth-Year certification program, individuals must possess a baccalaureate degree from a regionally accredited institution with a posted minimum cumulative/overall graduating grade point average of 2.5 (Effective July 1, 2017, 2.75 will be required) on the official baccalaureate transcript from the degree granting institution or a 3.0 GPA on a master's or higher degree transcript. (Students will not be permitted to use additional undergraduate or post degree courses to raise their grade point average.) Effective July 1, 2017 and thereafter, a candidate must earn credit for an ALSDE approved diversity course at the Class A level if they earned credit for a survey of special education course prior to Unconditional Admission (GTEP).

Admission Status Classification

In order to establish admission status, an individual must be evaluated by the College of Education and the discipline of study to determine prerequisites. Prior to seeking admission to the Graduate School, individuals should make an appointment with the Teacher Education office on the respective campus to have all undergraduate transcript(s) reviewed by the Certification Officer/Alternative-A Evaluation Coordinator. Individuals must bring an official copy of all undergraduate transcripts to the session. The evaluation process may take up to one week to complete.

Note: An individual's admission to the Graduate School will be determined by the transcript(s) evaluation. Individuals will be classified as a post-baccalaureate student until they have completed all prerequisites.

In addition to completing the undergraduate prerequisite coursework, students should also be working to meet admission criteria for the Graduate Teacher Education Program.

Admission Requirements to the Teacher Education Program (GTEP)

Admission to the Graduate School does not automatically qualify a student for admission to the Graduate Teacher Education Program. Written application to the Graduate Teacher Education Program is required from all students seeking acceptance. In addition to the written application, the following are also required:

1. A grade of "C" or better in the two English composition courses.
2. A grade of "C" or better in mathematics courses completed for the baccalaureate degree that is equivalent to the required general studies courses for the teacher education major. If equivalent courses were not completed at the baccalaureate level, these must be completed as prerequisites.
3. A minimum cumulative/overall graduating grade point average of 2.5 (Effective July 1, 2017, a GPA of 2.75 is required) on the baccalaureate transcript.
4. A minimum of 2.75 grade point average on (post baccalaureate) prerequisite coursework.
5. A passing score on all 3 sections of the Alabama Educator Certification Assessment Program (AECAP). (Music students must also receive a passing score on the Basic Music Skills Test.)
6. A passing score on the Troy University College of Education Math Module exam.
7. Successful completion of a speech and interview.
8. Completion of a minimum of 12 clock hours of classroom observation/participation.
9. Successful completion of an impromptu essay.
10. Successful completion of a criminal background check/fingerprinting.

Students working to complete pre-admission requirements for the Graduate Teacher Education Program are encouraged to

work closely with their discipline adviser. This individual will assist in course selection and course sequencing for completion of these requirements.

Information regarding qualification and acceptance into the Graduate Teacher Education Program can also be obtained through the Teacher Education Office on the respective campus.

In addition to the discipline specific pre-requisites, individuals must also complete the Professional Studies prerequisite coursework.

Once all of the prerequisite requirements are met, the individual will be considered for admission into the Master of Science Alternative Fifth-Year certification program.

Internship

All candidates completing the Alternative Fifth-Year initial certification program for teachers must complete a six-semester hour internship in the grade level(s) and academic subject(s) of the certification sought. Instructions regarding qualifications and applications for internship should be obtained from the Office of Teacher Education. Prerequisites for internship include the following:

- program faculty.
2. A resumé that includes personal information and professional portfolio regarding topics such as, but not limited to, educational and work history, personal and professional goals, professional affiliations, awards, articles, and references.
 3. Individual and/or group interviews conducted by members of the program faculty to assess the following topics: appropriateness of academic history, work history, relationships in individual and group contexts, vocational goals and objectives and their relevance to the program, each applicant's openness to self-examination, personal and professional self-development, and other factors deemed relevant by the program faculty regarding successful performance as a graduate student and as a counselor.

- retaking entrance exams, and
- proficiency examinations and/or work samples, papers, projects or other measures of performance.

The required level of performance for the PPGS shall be communicated to the student in writing with a designated completion deadline. Students who are conditionally admitted may take for graduate credit only courses that are approved in the PPGS. Conditionally admitted students must complete all requirements specified in the PPGS and maintain a GPA of 3.0 or better on courses taken within the first nine hours of graduate work.

These students may be admitted conditionally subject to the requirements and time period specified in the PPGS. Such students must also complete all requirements specified in the PPGS and maintain a 3.0 (4.0) scale grade point average on each course attempted within the first nine hours of graduate work.
