English Proficiency Requirements for Admitted Students

An ESL placement test will be administered to admitted students who do not meet English proficiency requirements for first-time and transfer students.

Placement in English as a Second Language classes or into academic classes will be based on attainment of identified cut-off scores on this test. Contact the Center for International Programs at esl@troy.edu for specific information.

To admit students from ESL to academic programs based upon their achievement in the Intensive English Program, the following process will be used.

- Initially arriving international students who do not meet the English proficiency requirements will be administered an ESL placement test. Attaining a passing score on that test above placement into Level VI will be eligible for full-time study in their academic program.
- Students placed into advanced level ESL classes who earn a 3.0 GPA in ESL courses in their final term shall then meet the University's English language proficiency standard for admission. Students will take a final examination, which will count for 30% of the final grade, in each of the four ESL courses. Each final examination will be prepared by a committee made up of the Troy ESL faculty who teach the upper-level ESL courses.

Undergraduate "advanced-level" ESL students may take aca-

ademic classes at the same time as ESL classes if they meet the specific criteria in the ESL Student Handbook. Students who achieve a GPA of at least 2.0 in each non-ESL course and 3.0 or higher in ESL courses will be eligible to be fully admitted. Any "advanced-level" student not achieving admission during his or her first semester will be required to repeat the part-time academic/part-time ESL enrollment in the next semester or to take only ESL classes, at the discretion of the ESL Director.

International students who are non-native speakers of English must take an ESL writing placement examination, administered by ESL in order to place in an English composition course, ESL 1100 or ESL 1101.

NOTE: Students may take the ESL placement test only once registered for an ESL and/or academic classes at Troy University. Students who are placed into the ESL program must complete all levels before matriculation to an academic program only once while registered for any ESL and/or academic classes at Troy University.

English Placement for Non-native Speakers of English

Any student whose first language is not English must submit an official score report for the Test of English as a Foreign Language (TOEFL), the International English Testing System (IELTS), or the ACT Compass ESL examination. Students who do not meet the minimum English proficiency requirements specified for the TOEFL, IELTS or ACT Compass ESL test will be placed at the appropriate level in the Troy University English as a Second Language (ESL) program. The ESL program is available on the Troy Campus.

Audit

Students may audit any Troy University course by indicating audit at the time of registration. No credit will be given, no hours attempted will be earned, and fees will be assessed based on the audit credit hour rate. Audit hours are not counted in maximum or minimum credit load limits and no credit will be earned.

Students may change from audit to credit or from credit to audit within the designated drop/add period the first week of classes, a period allowing students' flexibility to change classes without academic or financial penalty

Transient Status

Student from another institution wishing to enroll at Troy University as a transient student (Transient students are not eligible for financial aid.)

A student enrolled at another institution who is in academic good standing may wish to study at Troy University and then return to the original institution. The student should make application as a transient student with appropriate transient authorization. In order to complete this process, students desiring to enroll at the Troy Campus must submit the completed Medical History Form. Students granted transient admission should request that official Troy University transcripts be sent to the home institution.

Troy University student wishing to enroll as a transient student at another institution

A student receiving prior Troy University transient authorization does not need to be readmitted if the absence does not go beyond the term authorized. Troy University transient authorization assumes the student remains in good standing and has not officially withdrawn from the University for the term that authorization was granted. The student must provide an official transcript from the institution attended. A student returning beyond the approved transient authorization must reapply under the readmission rules.

Returning to Troy University

Students in academic good standing with the University who have not been enrolled for two years (from the last term/semester for which grades were received) must submit a new application for admission at www.troy.edu/applications-admission.

Former TROY students who enrolled at another institution since their last term/semester of enrollment must submit a new application for admission. Transcripts from that institution(s) must also be submitted at www.troy.edu/applications-admissions.

Students who have not received a grade at TROY within two years and have not attended another institution must contact the Office of Admissions at 800-414-5756 for further guidance on registering for classes.

This action should not be confused with the “Readmission” policies under Academic Regulations, regarding students “suspended” from the University— found on page 22 of the current Undergraduate Catalog.

Receiving transient authorization

Students receiving prior Troy University transient authorization do not need to be readmitted if their absence does not go beyond the timeframe authorized. Troy University transient authorization assumes that the student remains in good standing and has not officially withdrawn from the University for the time period authorization was granted. Students must provide official transcripts from the institutions attended.

Post Degree Status

Students who have earned baccalaureate degrees or higher degrees from the University or from other institutions may enroll for additional undergraduate coursework as post degree students.

Transcripts with posted degree must be submitted.

Temporary Admission

Temporary admission may be granted for one term/semester. Students granted temporary admission must submit all complete and/or official records before the end of the term/semester for which the temporary admission was given. With the permission of the Associate Vice Chancellor of Enrollment Management or the campus/site designee, a second temporary may be extended for the subsequent term. In the event the final records indicate that the student is not eligible for admission, the student may be administratively withdrawn with no refund issued.

Admission for Students Graduating from Non-Accredited Institutions (Including Home Schooled Students)

Students attending institutions which are not regionally accredited may submit transcripts for review to determine admissibility. The regional accrediting agencies are as follows:

- Higher Learning Commission
- Middle States Association of Colleges and Schools
- New England Association of Schools and Colleges
- Northwest Commission on Colleges and Universities
- Southern Association of Colleges and Schools
- Western Association of Schools and Colleges

Students graduating from home-school programs must comply with the same requirements as students graduating from traditional programs.

Provisional Credit:

If a student meets regular admission standards and has earned college level courses at an unaccredited institution of higher learning, the student may be given provisional credit. However, the credits will not be considered for acceptance until the student has attended Troy University as a full-time student for two semesters and has met the grade point average necessary for good standing. Credits will be reviewed by the dean of the discipline and the Records Office. A determination will be made based on (1) the unaccredited institution’s affiliation with the Commission on Recognition of Post Secondary Accreditation; and/or (2) acceptance of credit by at least three other accredited institutions located in the area of the unaccredited institution. Contact the dean of enrollment management or the Global Campus site director for more infor-

mation.
