

COLLEGE OF ARTS AND SCIENCES

The College of Arts and Sciences is a diverse community of educators, students, and researchers from across the country and around the world who work together to advance the boundaries of human knowledge, foster critical thinking skills, promote intellectual inquiry, and develop an understanding of different human cultures necessary to become engaged global citizens.

These goals compel a commitment to creativity and inquiry free of bias and based upon the principles of objective scholarship. They require a responsibility to promote and convey those elements of the liberal arts and sciences that must be essential components of the educational goals of all units of the university. The college seeks richness through diversity of its programs and strength through erudition.

The College of Arts & Sciences is the university's largest and oldest; it teaches the most students, and provides the backbone for Troy University's educational and research missions. As a result, you will find a broad array of academic programs that will pre-

pare you for careers in public and private sectors as well as post-graduate and professional schools. These programs emphasize the core values of a classic liberal arts education, as well as the skills and flexibility one will need to meet the challenges of the 21st-century workplace.

A degree from the College of Arts & Sciences is much more than preparation for a career—it is preparation for a complete, rich, and rewarding life.

In addition to general studies courses, major courses and minor courses, sufficient free electives should be chosen to total at least 120 hours.

As part of ongoing planning and evaluation, the College of Arts and Sciences regularly evaluates student learning outcomes for each degree program.

COLLEGE OF ARTS & SCIENCES GLOBAL SCHOLARS PROGRAM (TROY CAMPUS)

The College of Arts & Sciences (CAS) Global Scholar Program is open to any student in the College of Arts & Sciences, regardless of major, at the Troy Campus who would like to develop their international awareness and global preparedness through a rigorous program involving directed coursework, international travel, service learning, and close relationships with advisors. Each cohort will be limited to 25 students. Program benefits include:

- Designation of Global Scholar appearing both on student diplomas and transcripts attesting to the graduate's international awareness and global preparedness.
- Meaningful international travel experience for the purpose of professional development in the student's chosen field of study. (Most students will qualify for generous supplemental funding for international travel.)
- Regular interaction with international students on campus at Troy University.
- Resume and character-building service learning opportunities in cultural and international contexts.
- Strong relationships with mentors here at Troy University, which will produce highly trained graduates with the connections needed to compete for jobs and funded graduate programs.

Students who complete 12 credit hours of language, which is an optional part of this program, will be able to graduate with a Bachelor of Arts (BA) degree, rather than a Bachelor of Science (BS) degree if so desired. Students interested in service abroad after college are encouraged to inquire about Troy University's Peace Corp Prep Program, which can be completed as part of the CAS Global Scholar Program.

Additional information and a link to the application form can be found on the program website at <https://www.troy.edu/casglobalscholars>.

Requirement 1 - Directed Coursework (18-36 credit hours)

Aimed at international awareness and global preparedness selected from the following three categories. Classes that fulfill this requirement can also be used to satisfy BA language requirements and one of the following categories of classes: general studies requirements, major requirements, minor requirements, or free elective requirements. Global Scholars are expected to maintain good academic standing in their program, major, and minor. Student's whose GPA falls below 2.75 will be required to meet with the CAS Global Scholar Program Director

for academic counseling.

Requirement 2 – Directed Professional Development Abroad

To provide area-specific training, such as research or on-the-job training, in an international context.

Requirement 3 – Directed Methodological Training

To provide the necessary skills to conduct research or other career-specific activities in the international context.

Requirement 4 – Directed International Service Learning (50 hours)

To foster regular interaction with international students at Troy University.

ACCELERATED LAW CURRICULUM (58 HOURS)

- Students interested in the Accelerated Law Curriculum must complete the requirements for a major in Anthropology, Criminal Justice, History, Political Science, Social Science, or Sociology by the end of the third year of study at Troy University (or semester prior to attending partnered institution)
- Students interested in the Accelerated Law Curriculum must meet the admission requirements and be accepted to a partnered institution. Students must take the LSAT exam as part of the admissions requirement.
- Students must successfully complete 30 semester hours of law courses outlined by the partnered institution in order to receive Troy University credit.
- In addition to completing the major requirements, students must minor in Legal Studies
- Students will receive both a faculty adviser for their declared major as well as an adviser for the Accelerated Law program.
- For the Legal Studies Minor (18 hours)- Students must complete the following classes at Troy University:
 LGL 2200 (3) Introduction to Legal Studies
 LGL 3300 (3) Legal Research and Writing
 LGL 4400 (3) Seminar in Legal Studies

The following 9 hours will be completed at the partnered law school and transferred to Troy University to complete the minor:

Mississippi College of Law

LAW 502 (3) Torts
 LAW 582 (2) Legal Analysis and Communication I
 LAW 580 (1) Legal Research I
 LAW 583 (2) Legal Analysis and Communication II
 LAW 581 (1) Legal Research II

Cumberland School of Law, Stanford University

Lawyering and Legal Reasoning I — 3 credit hours
 Lawyering and Legal Reasoning II — 3 credit hours
 Evidence — 3 credit hours

Jones School of Law, Faulkner University

Legal Reasoning, Writing, & Research — 3 credit hours
 Foundations of Law — 3 credit hours
 Foundations of Legal Prof. — 1 credit hour

Legal Analysis and Persuasion — 2 credit hours

7. Upon successful completion of the designated 30 semester hours of courses at the partnered institution, students may be awarded a Bachelor's Degree in one of the designated majors with a minor in Legal Studies.

AIR FORCE ROTC/AEROSPACE STUDIES MINOR (18 HOURS)

Those students pursuing a career in the Air Force will be individually advised by the faculty as to commissioning requirements and courses needed.

AS 3312	(3)	Leading People and Effective Communication I
AS 3313	(3)	Leading People and Effective Communication II
AS 4412	(3)	National Security and Preparation for Active Duty I
AS 4413	(3)	National Security and Preparation for Active Duty II

Select two three-hour courses from upper level political science (POL), history (HIS), geography (GEO), Geographic Information Sciences (GIS), leadership (LDR), or social sciences (SS)*

**Independent Study and Research program credit(s) may be applied with prior approval by the Department of Aerospace Studies.*

ANTHROPOLOGY MAJOR (36 HOURS)

Option 2– 18 Hours

Transfer of ***Specialized technical courses.** (not to exceed 18 semester hours.)

***Specialized technical courses.**

Credit will be awarded for specialized technical knowledge based upon American Council of Education (A.C.E.) credit recommendations or transfer work from regionally accredited (Southern Association of Colleges and Schools, Middle States Association of Colleges and Schools, etc.) post- secondary community college, or technical schools as approved by the Academic Council. Specializations are not available in fields of study that are offered through Troy University as majors, programs, or minors, e.g., nursing, computer science, information systems, or education. Exceptions to the use of a Troy University minor are the programs in Aviation Operations and Advanced Professional Flight. Program requirements for either minor may be used to satisfy the 18 hours of specialized technical courses.

Eligibility

Eligibility for enrollment in one of the applied science degree programs is dependent upon prior education and/or experience. Before enrollment in one of the programs, official documentation of prior learning must be submitted to determine eligibility. All post-secondary technical school transfer students must complete all courses required in the institution's curriculum and earn (if appropriate) a diploma or certificate before being granted admission into the resources management degree program. No additional credit will be awarded for the possession of a license (i.e., all credit awarded is based on documentation of training and evaluation leading to the issue of a license, not the mere possession of a license). All credit from the Community College

of the Air Force (CCAF), accredited post secondary technical schools, and/or American Council on Education (ACE) recommendations will be considered junior college credit except where specifically recommended by ACE for upper-division credit. No credit will be awarded until six semester hours of academic credit has been earned at Troy University. At least 50 percent of the degree program must be traditional academic credit at the 3300/4400 level. Curriculum: The academic curricula taught by the university have been developed to supplement, not duplicate, the vocational/technical training or other experiential learning the individual may possess in a manner designed to provide these individuals greater career opportunities.

BIOLOGY EDUCATION

Students seeking Alabama teacher certification should select biology as a first major and education as a second major. Students should consult with their advisers concerning all certification requirements.

BIOLOGY MAJOR (44 HOURS)

*Special Topics in Biology (BIO 4476), Guided Independent Studies (BIO 4491/4492) and Guided Independent Research (BIO 4493, 4494) may only be taken for a maximum of 6 semester hours.

Specialized General Studies Requirements

General studies requirements for the biology, environmental science, biomedical sciences, and marine biology programs and the biology major total 64 semester hours. See the General Studies section of this catalog for complete general studies information.

Troy University Courses:

BIO 3307	(3)	Invertebrate Zoology
BIO L307	(1)	Invertebrate Zoology Lab

Complete 14 additional semester hours of adviser-approved biology or marine biology (MB) courses.

Dauphin Island Sea Lab (DISL) Courses (16 semester hours).

DISL courses are offered during the summer term. Students are required to take the following prerequisites before attending DISL: CHM 1143, L143, BIO 110I, L101, BIO 2229, L229. A grade of C or better is required in the prerequisites. Students must also comply with all DISL catalog prerequisites for individual courses.

Complete 16 semester hours of MB courses approved by the DISL liaison and Department Chair.

MATHEMATICS EDUCATION

Students seeking Alabama teacher certification should consult the College of Education portion of the catalog for major requirements. Students should consult their education advisers concerning all certification requirements and with their academic discipline adviser for requirements in the major.

MILITARY OPERATIONS MINOR (18 HOURS)

Military electives may be taken from credit recommended by the American Council on Education (ACE) or military credit from regionally accredited institutions. Students transferring in less than 18 credit hours in non-duplicated ACE recommended military credits may take additional advisor approved, upper-level courses as needed. Any excess military credit may go towards a second minor in Military Studies under the Bachelor of Interdisciplinary Studies Program, towards Option II of the BAS-Resource Technology Management Program, or towards the student's free electives requirement if needed.

MILITARY STUDIES MINOR (18 HOURS)

Military electives may be taken from credit recommended by the American Council on Education (ACE) or military credit from regionally accredited institutions. Military Studies minors may only be declared as a second minor within the Bachelor of Interdisciplinary Studies degree program and follow the same guidelines as the Military Operations minor. Any excess military credit may go towards the student's free electives requirement if needed.
