****Many of the program's school counseling graduates are working in clinical placements or still employed as classroom teachers.**

Licensure or Certification Examination Pass Rate

Passing scores on the CPCE Comprehensive Examination or the Praxis for School Counselors is a graduation requirement; all 219 graduates in 2019 passed at a 100% pass rate. The national examination encompasses the NBCC core areas that serve as a foundation for the practice of counseling. Complete data are not available on licensure exam passing rates for the National

Counselor Exam (NCE) because the program doesn't require a passing score on the NCE before graduation.

All School Counseling graduates (100%) became certified school counselors within six months of graduating from the program.
