If I Were in Charge of the World

If I Were in Charge of The World

If I were in charge of the world,

I'd change world hunger,

And world poverty.

If I were in charge of the world,

There'd be better education for all children.

And school systems that would accept all children.

If I were in charge of the world,

You wouldn't gossip about others,

Or make fun of each other.

If I were in charge of the world,

The color of our skin would unite us.

A person who made bad decisions in past life,

Could still change their ways and stand up for what is right.
