

Alina J. Doyle, LCSW, BCD

Morganton, NC | alinajdoyle@gmail.com | (352) 428-4830
North Carolina LCSW License # C014116

PROFESSIONAL PROFILE

Licensed Clinical Social Worker and Board-Certified Diplomate with over 20 years of leadership, training and instructional experience and seven years of post-MSW clinical practice in behavioral health. Experienced trainer, educator, and clinical supervisor with a strong commitment to student success, inclusive pedagogy, and applied learning. Demonstrated expertise in training, competency-based supervision, and integration of evidence-based practice into instructional settings. Committed to fostering critical thinking, ethical practice, and professional identity development.

EDUCATION

- Higher Education Teaching Certificate, Harvard University Derek Bok Center for Teaching and Learning | March 2026
- Master of Social Work (MSW), Army–University of Kentucky | May 2019
- Bachelor of Arts in Social Work (BSW), Saint Leo University | May 2008
- Associate of Science in Criminal Justice, Hesser College | May 2003

LICENSURE & PROFESSIONAL CREDENTIALS

- Licensed Clinical Social Worker (LCSW), North Carolina | 2021–Present
- Board Certified Diplomate (BCD), American Board of Clinical Social Work | 2024–Present
- Licensed Clinical Social Worker Associate (LCSW-A), North Carolina | 2019–2021

TRAINING, EDUCATION, AND PROFESSIONAL DEVELOPMENT EXPERIENCE

- Designed and delivered professional development, leadership training, and psychoeducation through in-person and web-based learning environments.
- Modified and enhanced existing training programs to align with professional competencies and agency standards and procedures and developed related measurable learning outcomes.
- Applied adult learning theory and inclusive, student-centered pedagogy to design and deliver engaging online and in-person instruction.
- Provided structured, timely written feedback to support student engagement and professional growth.
- Facilitated in-person and virtual case consultations and applied skill demonstrations for geographically dispersed learners.

ADVANCED GENERALIST CAPACITY

Demonstrated ability to teach across the social work curriculum within an advanced generalist framework, including:

- Trauma-Informed Practice
- Substance Use Assessment and Treatment
- Crisis Intervention and Suicide Prevention
- Ethics and Professional Practice
- Clinical Documentation and Diagnostic Assessment
- Military, First Responder, and Community Behavioral Health
- Integrated Behavioral Health Systems

CLINICAL SUPERVISION & STUDENT MENTORSHIP

- Provided formal supervision and training to provisionally licensed clinicians in alignment with state licensure requirements and ethical standards.
- Designed and implemented competency-based supervision frameworks, including evaluation aligned with professional benchmarks.
- Facilitated professional development training, psychoeducation, and continuing education for clinicians and interdisciplinary teams.
- Mentored students and clinicians in professional identity development, ethical decision-making, and clinical skill advancement.
- Facilitated structured, outcomes-focused preparation for licensure examinations

PROFESSIONAL PRACTICE EXPERIENCE

Clinical social worker with over seven years of post-MSW experience delivering evidence-based, culturally responsive care across diverse populations. Specialized in cognitive behavioral and trauma-focused evidenced-based therapies, crisis intervention, and suicide risk assessment, with practice spanning individual, family, and systems-level contexts within an advanced generalist framework. Demonstrated ability to integrate telehealth and digital service delivery into clinical practice and training, reflecting adaptability and alignment with contemporary service models.

EMPLOYMENT HISTORY (10 years)

Psychotherapist (LCSW, BCD) – 1099/Self-Employed Contractor (March 2022–Present)

- Delivered psychotherapy and comprehensive diagnostic assessments to children, adolescents, adults, and couples using evidence-based approaches.
- Applied CBT, trauma-focused interventions, and family systems models to support diverse populations.
- Integrated telehealth platforms and electronic health record systems, demonstrating adaptability to digital learning and service delivery.

Behavioral Health Officer (Captain) – U.S. Army Criminal Investigations Division (CID), Ft. Bragg, NC (July 2024–July 2025)

- Directed behavioral health services supporting 800+ civilian and military Special Agents across two continents.
- Implemented Traumatic Event Management and psychological debriefs for a national level event.
- Supervised and mentored licensed and provisionally licensed providers, fostering professional development and clinical excellence.
- Advised leadership on readiness, risk mitigation, and fitness-for-duty determinations.
- Led suicide prevention, resilience initiatives, and crisis interventions, providing experience in high-stakes clinical decision-making and program development.
- Developed the largest Mental Health Awareness event in CID History that was recognized at the national level.

Brigade Behavioral Health Officer (Captain) – 18th Field Artillery Brigade, Ft. Bragg, NC (September 2021–July 2024)

- Directed behavioral health services for 1,300+ Soldiers, overseeing assessment, treatment planning, interdisciplinary collaboration, and referral coordination.
- Supported deployments and field operations while maintaining clinical and regulatory standards, demonstrating advanced generalist practice.
- Mentored and supervised junior clinicians and interdisciplinary teams, reflecting instructional and supervisory experience relevant to higher education teaching.
- Developed and implemented a Continuing Education Symposium for Behavioral Health Providers across multiple organizations which spanned an entire military installation.

Social Work Intern / LCSW-A (First Lieutenant) – Army Social Work Internship Program (May 2019–June 2021)

- Conducted assessments and delivered evidence-based treatment across Substance Use, Family Advocacy, Child & Adolescent, and Special Operations clinics.
- Developed foundational skills in advanced generalist practice, including intervention planning, ethical decision-making, and professional mentorship.
- Translated clinical knowledge and field experience in educational settings by mentoring junior clinicians and technicians and facilitating case-based consultations.

Master of Social Work Student (Second Lieutenant) – Army–University of Kentucky (August 2017–April 2019)

- Completed advanced coursework in clinical practice, military behavioral health, ethics, and evidence-based interventions.
- Conducted supervised biopsychosocial assessments, interviews, and brief interventions with diverse populations.
- Engaged in case analysis, treatment planning, clinical documentation, and applied research, demonstrating skills in scholarship and evidence-informed practice.

Professional Development / Assignment Manager (Sergeant First Class) – U.S. Army Recruiting Command, Ft. Knox, KY (October 2015–August 2017)

- Designed and facilitated professional development programs for military educators and leaders using adult learning principles.
- Applied curriculum development and instructional design strategies, including assessment of learner outcomes, preparing for online and in-person teaching.
