

Dr. Clifton Sherrill

Dr. Clifton W. Sherrill, Assistant Professor of International Relations, recently published the following article in the latest edition of Orbis:

"After Khoemini: Who Will Succeed Iran's Supreme Leader?" Orbis 55, no. 4 (Fall 2011), 631-647.

In addition, Dr. Sherrill has the following article scheduled for publication in March:

"Why Iran Wants the Bomb and What It Means for U.S. Policy," The Nonproliferation Review 19, no.1 (March 2012).
