

Partners can recruit at TROY using handshake

Handshake Overview

Handshake is an online recruitment platform and jobs database for students and recent graduates. As an employer, you can use Handshake to post jobs and internships, customize your required qualifications, sign up for career fairs and register to hold interviews or an information session on campus.

How to use Handshake

1. Visit troy.edu/careerservices
2. Scroll down, click "Login to Handshake" and follow the steps to complete your registration
3. A confirmation email will arrive. Follow the steps and select Troy University as a school from which you wish to recruit
4. Log in to start recruiting

Handshake Tips

- Your home page lists upcoming career fairs. Simply click on one to register as an employer.
- The "Request an Interview" button allows you to set up on-campus interviews.
- The "Create an Event" button allows you to promote an event that your company is hosting.
- Don't forget to create your company profile to showcase your organization.
- For additional assistance or for information about speaking to a class, visit troy.edu/careerservices to find your local career services office.
