

Coblenz-Germany,
March 30, 1920.

Dear "Little Mother,"

This is not a real newsy letter as there really isn't much to write about.

Yesterday was a perfectly gorgeous day and to-day is delightful too. I received a nice long letter from Mrs. Grant and I surely did enjoy it, I haven't heard from her for such a long time.

There are a few things I want to get you to send me "Little Mother" as I can't get them

here. My stockings are all heavy
and I can't wear them with
slippers and I haven't ~~and~~ a
pair of silk stocking so if you
will I wish you would send
me a pair of black and one
pair of white. Then I need
some kind of a ~~dress~~ shirt
waist to wear without a
coat, a washable silk or a
cotton it doesn't make any
difference so long as it has
long sleeves and ~~is~~
is thick enough so I won't
have to wear my best corset.

3, Covers everytime I wear it.

We can manage to get nearly everything we need to wear but stockings. The waists they have here are all too thin or else too expensive.

When I came I had no idea I would be here so long consequently I haven't so much to wear.

To-morrow we are going to have lunch with Arthur's commanding officer Col. & Mrs. Margetts and then go up to the horse-show Arthur's

outfit is giving at which I am
to be the hostess at the tea
following. Don't you think there
is some ~~of~~ class to your children?

General Allen is to be our
guest too. I was talking to
him last week when we
had our gymkhana,

Well I will close for to day,
with heaps of love to you and
Father from Arthur and I,

I am

Your loving daughter,

Joyce.

P.S. Arthur said to tell you to
charge these things to the
Junior Keyton families' account.
