

Coblenz, Germany,  
May 28, 1928.

Dearest Mother of mine,

I had three nice letters  
from you to-day dated May  
9-10 + 13 <sup>etc,</sup> and one from Dothaw!

Mother K. writes me she  
was going to Washington to  
a convention, and I guess she  
has been so busy she hasn't  
had time to write very much.

So Jordie's Bunny reached  
him safely, well. I am glad.

I think it is so strange  
that box I sent you by express  
in Feb. has never reached  
you.

Yesterday P.M., I entertained my Club, I served pineapple salad, cheese straws, butter-thins, ripe olives, cherries and iced tea, don't you wish you were here to enjoy it with us. Never mind I will have tea for you every afternoon when you and I get together again.

Sister Mother, don't be unhappy, just think of the time when I come home and all the pretty things I will bring you.

3.

next week I expect to go to Belgium on a trip over the battle-fields, several of my friends are going, the Y.M.C.A. are giving it and it is very reasonable so Hon insists that I take advantage of it.

Of course he can't go but I won't be gone so awfully long, perhaps a week.

Did you see in the paper where the Increase Pay Bill went thru and now we get about \$10 a month instead of \$6.67. It dates back to Jan 1<sup>st</sup> so we get \$50 extra this

month which we will put  
right in the Bank, We saved  
\$60 this month, I am going to  
send y. another little suit next  
month one he can wear now,

Hon and Jack are here just  
having the best time playing  
ball, They lead me a merry  
chase.

With oceans of love from Hon  
and I and a kiss on each  
wave I am

Your true loving daughter,  
Joyce!
